(MODIFIED TO KIT FOR RS-6)
about Sep 22

As a result of discussions between Contract representatives of your office and Project Engineers of the Research and Development Branch of my office, the [] agreed to undertake the production and supplying of 1000 modification kits for RS-6 equipments. It was the understanding of all concerned that "paper work" would be initiated as soon as possible to formalize the agreement, but that [] would proceed immediately to perform its part of the contract on the basis of the verbal agreement.
